

Why just have a party, when you can create a

# Noteable Event

The Premiere Catering & Event Planning Organization

**The difference between a party and a Noteable Event is more than just food. It is imaginative locations, dramatic presentations and impeccable service.**

### Imaginative Locations

We might suggest a Grand Warehouse, a Museum, a Cultural Center, a Tented Chalet or even your own home.

### Dramatic Presentations

Let us create the stage with a dramatic display of lights, florals, banners and props. Your guests will be captivated the moment they arrive throughout their stay.

### Impeccable Service

Let us dazzle your guests and provide the sizzle of enjoyment and attention to everyone.

*The Noteable Events philosophy is to deliver to its guests an artful culinary and service experience. Whether our guest requests a simple breakfast or luncheon, a corporate open house, a sporting event, a wedding of their dreams or a gourmet dinner for two, the Noteable Team will make the event special, memorable and hassle-free.*
